

- 1.3 Our curriculum and assessment model aim to:
- Prepare learners for their identified destinations post St \_\_\_\_\_ College.
  - Give learners the opportunity to learn in workplaces and in the community where relevant and possible

### 3.2.6 Principles of assessment

Is functional for small cohorts;  
Is in line with current educational thinking/research;  
Is accurate (or honest about what it be) and has internal integrity so that when learners complete accredited assessments then the
